Riding ability

Please state your riding ability and any information that may help Debbie pair you with a pony, e.g., your height and weight and the size/type of pony you usually ride.

If you know the riding school ponies, which pony would you like for camp? Please list three choices in order of preference (favourite first).

3

Rider's health

Do you have any medical condition that Debbie needs to be aware of, e.g. (asthma, hay fever, allergic reactions)? If you need to bring any medication to camp, please give details, including the dosage.

Do you have any food allergies or dislikes?
Are you vegetarian?

The following over-the-counter products may be used or administered if the first aider or Instructor in charge deems it necessary (*indicated with a tick*):

- suncream plasters antiseptics bite/sting relief
 paracetamol ibuprofen antihistamines

Permission

I consent to my son/daughter attending this camp and using the identified first-aid products listed above when required.

Signed:
